

CPE WiMAX

Product Features :

- Freescale MPC8313 PowerQUICC II pro processor With DDR2, NAND/NOR Flash 
- WiMAX 802.16 
- WiFi Access Point Comply with 802.11n draft and 802.11b/g standards. MIMO Technology. Support WPS. 
- Ethernet 10/100 BT
2 Ethernet 10/100BT interfaces
- USB HOST 2.0
2 USB HOST hi-speed interface 
- RFID interface
ISO/IEC 14443 A/B, MIFARE I.CODE ISO 15693 
- SD/MMC interface
- LCD 128x128 interface
FSTN, negative, black and white, 4 levels greyscale.
- Touches sensor interface
C apSense buttons 
- Linux
Kernel 2.6.27 

Applications :

- Customer Premises Equipment (CPE).
- WiMAX / WiFi router
- Set-top-box
